## Krones Key Takeaways:

- Krones 5S Journey from 2015-2020
- Lessons learned and the struggles with both 5S implementation and sustainment
- Best practices over the years

## Discussion Questions:

- What are some 5S struggles and roadblocks with implementation and sustainment in your facilities?
- How can you change the culture to a 5S culture where it is second nature?
- How do you create buy-in to 5S?
- Who is responsible/in-charge of 5S (who is in charge of auditing, making improvements, sustaining, etc.)?
- How is 5S actually sustained?

*Roundtables are great venues for sharing ideas and best practices around a particular topic. In these member-to-member events, you will get great support and new ideas. It is also a wonderful opportunity to meet other Paranet members. Please come prepared to talk about what you have done, what has worked and where you may have gotten stuck. Please bring examples that you are currently using to share with the group.*
