Leaders are not always prepared for the challenges they face. They need time to focus on their leadership potential, learn and develop their capabilities, gain confidence in themselves as leaders, and, understand the impact they have on their team and organization. **LeaderPRO** offers you a chance to take stock of where you are at and develop skills in the areas most important to the manager-leader. Here's how:

5-D Leader Development Program at-a-Glance

- 10 Leading Edge Courses
- 6 Peer Group Coaching Sessions
- 2 One-on-One Coaching Sessions
- Monthly Coaching Guide
- eLearning Coursework
- Levelhead Mindfulness App
- Social-Learning Platform
- All materials included

Questions?
