

BOOT CAMP

SUPERVISOR BOOT CAMP TRAINING DELIVERED AT THE SPEED OF NEED

Paranet's **Supervisor Boot Camp** is designed to give your new supervisors an intense training program in a short period of time so they can have boots on the ground when they need to perform. Boot Camp consists of **3 full days of intense training** covering critical areas:

- **Transition to Supervisor—Leading Others***
- **Self Awareness and Self Management***
- **Problem-Solving and Decision-Making***
- **Managing Priorities—Getting the Right Things Done***
- **Communications—Critical Listening***
- **Performance Management***

**Courses subject to updates and changes.*

In addition, participants will engage in **3 group coaching sessions** designed to reinforce tools learned in the workshops, overcome obstacles they may be experiencing and help sustain training.

Friday, July 17
9:00-10:30 a.m.
