Upskill *verb*

transitive: to provide an employee with more advanced skills through additional education and training

Join us on Tuesday, June 14 to **see and hear real-life examples** of what other Paranet Members are doing when it comes to **upskilling their employees**, including:

- Cross-Functional Training
- Succession Planning
- In-House Classes and Self-Assessments
- Development, Training, and Onboarding Plans
- Skills Matrix, Work Center and Machine Matrices
- Training Programs that Match Skills to Employees Using TWI (Training Within Industry)
- Skills-Based Development Plans for Direct Labor Employees and Development Plans for Office Employees

Event Format:

This is a roundtable event will be facilitated by Kelly Rudy, President of The Paranet Group.

Who Should Attend This Event?

Managers, Directors, and Leaders in all areas of manufacturing are encouraged to attend.
